

FOOD SAFETY POLICY

Introduction

Olympic Trading has a duty to assess the risks posed to the health and safety of its employees and to anyone else who may be affected by its activities. Significant risks identified by this process have to be reduced to a tolerable level. This duty includes the safe and hygienic provision of food and beverages by any individual, department, society, company or others on campus, irrespective of whether the provision is for profit or not.

Policy Statement

Olympic Trading recognizes and acknowledges its responsibility for food safety, and will ensure that the provision of all food and beverage under the auspices of this policy is safe and fit for human consumption.

Policy Objectives

The objectives of this policy are to ensure that:

- All food supplied by or delivered to the Clients is produced, stored, handled and transported in accordance with relevant legislative requirements;
- All premises used by Olympic Trading for the preparation of food are registered with the appropriate Local Authority;
- All food providers have appropriate and adequate management systems and controls in place, commensurate with the type of provision to ensure food safety standards are maintained;
- All risks associated with the provision of food and beverages are reduced to a tolerable level;
- All food handlers have the necessary competence to undertake their duties in accordance with the requirements of this policy;
- All food products that have been classified as waste are appropriately segregated and disposed using the approved contractor.

Application:

The policy applies to all food handling activities undertaken by, or on behalf of Olympic Trading, including employees groups and contractors working in support of Olympic Trading.
